PUBLIC REPRESENTATIVE MOTION  
TO FILE LATE COMMENTS  
(February 1, 2013)

The Public Representative experienced technical problems towards the end of the filing period and was unable to submit them before the deadline.

The Public Representative requests the Commission accept late-filed comments.

The Public Representative does not believe this will harm any of the parties. It's comments were favorable and it supported the Postal Service's filing. It also did not make any critical comments or make any proposals that might require additional analysis.

For these reasons, the Public Representative petitions the Commission to accept this motion.

Respectfully submitted,
